## MADDEEN NEWS

Madden, Feb. 16.—The snow that fell here on the 13th still lingers in patches, evidently waiting for more to come and the wind today blows a regular norther! Well, it is some consolation to know it is warmer here than in some places. "Uncle John" has received a letter from a relative up north who says that up there with him the weather is 30 degrees below zero. We are somewhat warmer than that, hey?

Dr. Fennell, the Waterloo physician, is the attending physician with Mr. H. Lee Madden. The friends of Mr. Madden will be glad to know that he is improving and was able to ride up to the station a few days ago.

Miss Julia Cunningham is spending awhile with her aunt, Mrs. Montjoy, in Clinton.

Misses Jessie Thompson and Nora Thompson, of Laurens, visited at the home of Mr. J. A. Madden Friday.

A letter from Dr. A. B. Langston, at Valdosta conveys the news that he reached his destination safely and found South Georgia quite a fine country. He is agent for the Foreign Baptist Mission Board and will solicit funds for the Judson memorial fund. He will be there about six weeks.

The supervisor of roads is having some very essential work done, in having an exceedingly bad hole near New Prospect Church bridged over and ditches cut along the side of the road. This spot had become almost impassable.

The sick are better. Mrs. Mollie Langston is recovering from a spell of grippe; Mrs. M. T. Allison is also up and little Kathleen Martin made her first visit to school since her leg was accidentally cut by a knife on her way home from school over two weeks ago.

Mr. and Mrs. Jim Cheek were the guests Sunday of Mr. and Mrs. Thad Moore.

Mr. Luther Finley visited relatives at Cold Point Sunday.

Two agents for a hay press, from North Carolina, were visitors at the home of Mr. and Mrs. Elsie Watkins. They were snow bound there for a few days last week.

Mrs. Griff Finley and children visited her mother, Mrs. Cunningham, of the Mt. Pleasant neighborhood.

It will be good news to all to know that the magnificent structure known as "the Madden depot" is receiving a new coat of paint and otherwise being beautified. It is the hope of all that when the A. C. L. takes over the management of this road that we will, at least, be given a shelter from the elements. We have only a partial one now.

Misses Hettie Cunningham, Susie Langston and Douglas Bryson and Mr. and Mrs. J. A. Wofford were visitors at the home of Mr. W. S. Power, in Laurens Sunday, where they had the pleasure of seeing two of their aunts, Mesdames Evie Power and America Madden.

Mr. John A. Madden continues about the same. He does not improve as fast as his friends would wish.

Mr. M. L. C. Moore has purchased a fine young mule.

## A Winter Cough.

A stubborn, annoying, depressing cough hangs on, racks the body, weakens the lungs, and often leads to serious results. The first dose of Dr. King's New Discovery gives relief.

Henry D. Sanders, of Cavendish, Vt., was threatened with consumption, after having pneumonia. He writes: "Dr. King's New Discovery ought to be in every family; it is certainly the best of all medicines for coughs, colds or lung trouble." Good for children's coughs. Money back if not satisfied. Price 50c. and \$1.00. At all druggists.

H. E. Bucklen & Co. Philadelphia or St. Louis.

## NEWS FROM JONES.

Jones, Feb. 16.—Rev. R. F. Morris, of Princeton, delivered an able sermon here last Sunday evening to an appreciative audience. He is held in high esteem by all denominations.

Messrs. Walter and Frank Jones are doing some excellent work on their farm, preparatory to another crop.

Our Sunday school is doing nicely under the wise supervision of Hon. J. Frank Morrison. We feel very proud of our little band and time alone can reveal the good that may be accomplished.

Mrs. G. L. Graham was to have represented our Sunday school during the convention at Anderson, last week, but owing to the inclemency of the weather, she had to forego the pleasure of attending.

Mrs. J. A. Hill, after a protracted illness is fast improving, much to the delight of her many friends.

Messrs. George and Adam Jones are kept quite busy supplying the demand for wood and cedar posts at Ware Shoals.

Miss Dorcas Graham, of Ware Shoals, Mrs. Earle M. Caine, Rev. R. F. Morris, of Princeton, and Mr. Walter Jones, were recently entertained at tea by Mr. and Mrs. G. L. Graham.

Miss Agnew, of Huntington, spent Sunday afternoon at the Magnolia farm.

The community has become interested in good roads. The people have gone to work to change the Sandy Ford road, trying to get around the hills.

Tylersville, Feb. 16.—This is a bright windy morning. We had a nice snow which we hope will be helpful to the lands, grain and a promise to a good fruit crop.

Rev. W. B. Justus preached a good sermon at Sandy Springs Sunday. He will visit his members in this community this week.

## TWO HOME WOMEN

## TALKED ABOUT HAIR

Two women met in our store the other day, when one of them said: "My, how pretty your hair looks! What have you been doing to it?"

"Why, I have been using Harmony Hair Beautifier, for the past two weeks," was the reply.

"Why, indeed!" replied the first woman, "that is just what I am using. Isn't it great, and don't you think my hair shows a lot of improvement?"

Harmony Hair Beautifier is becoming all the rage among both men and women who are particular in the care of their hair. It is just what it is named—a hair beautifier. It seems to polish and burnish the hair, making it glossy, silky, soft, and more easy to put up in graceful, wavy folds that "stay put."

Contains no oil, and will not change color of hair nor darken it. Simply sprinkle a little on your hair each time before brushing it.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This liquid shampoo gives an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing.

It is washed off just as quickly, the entire operation taking only a few moments. Harmony Hair Beautifier, \$1. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us. Laurens Drug Co., 103 W. Main street, Laurens, S. C.

Watch for the serial story beginning next week "The Vallants of Virginia."

## Old Folks, Here's Real Joy For You

Wonderful ROOT JUICE Will Have You Feeling Ten Years Younger in That Many Days. Guaranteed.

After fifty or sixty years of hard use and abuse the human engine needs frequent coaxing to keep it running smoothly and you'll be surprised at what a little of the right kind of coaxing will do. Rheumatic twinges, sore, stiffened joints, and muscles, lame back, weak kidneys, and bladder, nerve weakness, indigestion, loss of appetite, interrupted sleep and other ailments so common in advanced years are being made to disappear almost as if by magic.

"Ha, I'm Ready for Anything Now." Wonderful ROOT JUICE, made from a collection of Nature's own restoratives, roots, herbs, leaves and barks, is accomplishing things for old folks that you'd scarcely believe possible. The way it builds up the system, cleans out the blood, stirs up the bowels and the liver, tones the stomach and strengthens the weak places is remarkable. It exerts a splendid action upon the weakened nervous system too. It's different from anything else you ever tried and so dependable in its action that it is sold under a positive guarantee.

No one takes any chances with ROOT JUICE. It has got to benefit and please everybody who uses it, or back goes every cent paid for it. That's the best kind of proof of its merits.

Best of all, you don't have to take it for the rest of your natural life to get results. Most people feel its benefit within ten days. The appetite improves, so does digestion. That frequent and troublesome kidney action is regulated, so is the bowel action and almost before you realize it that stiffness and soreness in the limbs and muscles disappears. That shaky, nervous feeling gives way to returning strength and force and you feel like a different person.

Try it. You're not taking the slightest risk because you've got to get results or your money back instantly. You'll say it's worth ten times the price and you'll feel better and stronger than you have in many a day. All good druggists sell ROOT JUICE at one dollar per large bottle and they positively guarantee it. Get ROOT JUICE this time and get relief.
